

Native Plant Considerations – Species List

<u>Latin Name</u>	<u>Common Name</u>	<u>Applicable Plant Community***</u>
Large trees:		
Acer macrophyllum	bigleaf maple	Foothill Woodland, Vly Grassland, wetland-riparian, chaparral
Platanus racemosa	California sycamore	foothill woodland, chaparral, valley grassland, wetland-riparian
Quercus lobata	valley oak	foothill woodland
Large shrubs that can become small 'trees' in the garden setting:		
Heteromeles arbutifolia	toyon	chaparral
Sambucus mexicana	elderberry	foothill woodland
Shrubs:		
Arctostaphylos sp.	Manzanita	chaparral
Artemisia californica	California sagebrush	coastal sage scrub, coastal strand
Baccharis pilularis	coyote brush	coastal strand, coastal sage scrub, chaparral, foothill woodland
Baccharis pilularis <i>twin peaks</i>	dwarf coyote brush	coastal strand, coastal sage scrub, chaparral, foothill woodland
Ceanothus arboreus	wild lilac	chaparral
Ceanothus oliganthus	hairyleaf ceanothus	chaparral, foothill woodland, and others
Myrica californica	California wax myrtle	coastal strand, northern coastal scrub, wetland-riparian
Mimulus aurantiacus*	bush monkey flower	coastal sage scrub, foothill woodland, chaparral, no. oak woodland
Mimulus cardinalis	scarlet monkeyflower	foothill woodland, chaparral, valley grassland, wetland-riparian
Eriogonum fasciculatum	California buckwheat	coastal sage scrub, valley grassland, sagebrush scrub,
Rhamnus californica**	California coffeeberry	foothill woodland, chaparral, coastal sage scrub
Salvia mellifera	black sage	coastal sage scrub, chaparral
symphoricarpos albus	snowberry	foothill woodland
Malosma laurina	laurel sumac	coastal sage scrub, chaparral
Vines:		
California honeysuckle	Lonicera hispidula	Foothill Woodland, Douglas-FirForest, and others
Vitis californica	California wild grape	Foothill Woodland, No. Oak Woodland, wetland/riparian
Grasses:		
Festuca californica	California fescue	chaparral (but also douglas fir forest and other forests)
Muhlenbergia rigens	deergrass	valley grassland, chaparral, wetland-riparian
Groundcovers:		
Fragaria sp.	Strawberry	coastal strand, northern coastal scrub

*The name for Mimulus aurantiacus has been changed to Diplacus aurantiacus ssp. Aurantiacus

** The name for Rhamnus californica has been changed to Frangula californica ssp. Californica
